1. Child Name: COLLINS TSUMA

Date of birth: 2012

Age: 8yrs

School: ibinzo primary school std one

Parents:

Father: Late Brown TsumaAcheke, died 2014.

Mother: RoselyneKadogo, 42yr, on ulcers diet,

General Home Condition

The mother who is also a widow is the backbone of the family is on ulcers medication.

The mother has no job and does manual casual farm labouring to earn a living for her seven children she was left with which is a real burden.

Collins mother has five children still schooling in different classes and two who are married:

1st born – married

2nd born – married

3rd born – form two ibinzo girls sec school

4th born – std 8 (stay with aunt in homabay)

5th born – std 5

6th born – std 2 has a medical condition anaemic that make her collapse often.

7th born – std 1

2. Child Name: FIDEL MAKOLONI

Date of birth: 2012

Age: 8yrs

School: Shikhombero Primary School Std One

Parents:

Father: Reuben Tukilo

Died(suicide) December 2019

Mother: Shiboko – abandoned her home after the husband committed suicide and has never come back. She left with the Fidel's sibling.

Guardian: Olive Wimisa just a relative who live close who always stand with they.

General Home Condition

Fidel's condition is pathetic and at his age has to work for people to earn a living. He even live with well-wisher and moves from one relative to the other.

3. Child Name: PAUL SHIVACHI

Date of birth: 2011

Age: 9yrs

Parents:

Father: Late Haggai Munyasi, died February 2020 motorbike accident.

Mother: Consolata Munyasi 24yrs

General Home Condition

The mother is the provider. She is a widow left with four children to care for. She has no job and just a casual labourer for the children's survival.

Paul Shivachi has a medical condition on his scrotum that swells a times. She need an operation as per medical practitioners but the mother can't afford hence just left like that on pain killers.

4. Child Name NICOLUS CHORE

Date of birth: 2012

Age: 8yrs

Parents:

Father: Died December 2019

Mother: Died December 2020 (to be buried)

Guardian: Olive Wimisa just a relative who live close who always stand with they.

General Home Condition

Child brought by a well-wisher who is a far relative. The child lives with the grandmother who is ill and weak. Their house status is a challenge because the parents' house is very small and in bad condition. The grandmothers house is also in bad state as well. The well-wisher is the closest relative.

Nicholas Chore has no chronic medical condition; he is healthy but with diet challenge because a times they lack meals (food on the plate/table).

5. Child Name: SHARON BUSOLO

Date of Birth: 27/07/2013

Age: 9yrs

Class: One

Parents:

Mother: Night Madropa, 53yrs

due to her age and challenges she has health issues most related to poor diet.

Father: late Rodgers Mutakhapassed on in 2017 due to Drunkardness

General Home Condition

The mother is the sole provider of the family. At the age of 53yrs she still has to do casual manual labouring to feed the family and provide school support for all her children.

The mother is also a widow with six children and Sharon is the last born.

1st born – married

2nd born – casual laboro – nanyuki

3rd born – dropped out of school at std 5 due to lack of good parental care

4th born – dropped out of school at std 3 due to indiscipline

5th born – class three

6th born – class one

Though the Sharon is healthy but lacks good diet and schooling is a big challenge to them.

6. Child Name: DAVIS KUBAYI
